## ABOUT US

Ensemble Continuo is a classical chamber choir based in Mountain View, California. The choir was founded in January 2023, but several of its members have sung together in previous projects since 2016. Performances this year brought the choir to the Summer Sacred Music Series at Stanford Memorial Church and the International Performing Arts of America Festival at California Theater in San Jose.

The members of Ensemble Continuo share a passion for exploring the choral repertoire, including masterworks by Bach, Händel, Mozart, and Brahms, and also contemporary classical works by Frank Ticheli, Gerald Finzi, and Ēriks Ešņvalds. First and foremost, Ensemble Continuo loves making music together and performing it for others.

Online the choir can be found at [www.ensemble-continuo.com](http://www.ensemble-continuo.com), on Instagram (@ensemblecontinuo), YouTube (@ensemblecontinuo468), and Facebook (Ensemble-Continuo-Mountain-View).
